EBI New Location...Same Great Programs!

In September Eastside Basketball Institute moved all classes, clinics and camps to their new location at the Klahanie Summerwalk Gym! We are very excited about this new location and beautiful facility. The gym is located on the Sammamish Plateau off of Klahanie Drive and minutes from area schools and I-90.

2009 Summer Camp Success!

In June, July and August EBI conducted five camps for boys and girls of all ages! Every camp had the stamp of EBI on them which focused hard on the fundamentals of the game of basketball. But each camp had a special focus of its own such as Ball Handling Camp, All Skills Camp or Guard Camp. All the camps had a great turn out and the kids came away with special awards and prizes!

EBI Programs at Summerwalk Gym

Mini Hoops Age 3.5-6 yrs Monday's 5:00-5:30

Listening and comprehension skills improve as we increase structure and add more difficult basketball skills. Parental involvement is gradually decreased through enticing activities designed to promote security and achievement.

Beginner Class Monday's 4:00-4:45/Thursday's 3:15-4:00

This class is targeted for the players that are at the beginning level. *EBI* staff of coaches will work with the players on fundamentals of the game to learn skills such as passing, ball handling and shooting. Repetition of these drills will be the focus so the players can move to the Intermediate class once they have been mastered.

Current Session : October 26th, Nov. 2nd, 9th, 16th, 30th, Dec. 7th & 14th

Current Session : Oct 29th Nov 5, 12, 19, Dec 3rd 10th 17th

Intermediate I Class Thursday's 4:00-5:00

Players have mastered the basic skills and are now ready to be introduced to the various positions; guard, wing and post. Learning these positions will prepare them for Intermediate II and III classes.

Current Session : Oct 29th Nov 5, 12, 19, Dec 3rd 10th 17th

Specialty Classes Friday's 4:00-5:00

Friday classes will be devoted to focusing on specific areas such as shooting, ball handling, positions and speed and agility training. Keep an eye out for what will be the focus of the month for our Friday Specialty Class.
